

One Pager Project

Vocabulary

A one-pager is a collage of illustrations and written analyses on one page that make up an aesthetically pleasing and detailed interpretation of a subject.

Directions

Share your understanding of each vocabulary term by imaginatively blending written ideas with colorful images. You should spend at least 10 minutes planning and brainstorming ideas before you begin decorating your page. Use a standard size piece of blank paper (8.5 x 11) or you may use a template provided for you.

Below is a list of what should be included on your page:

- Include each vocabulary term.
- Make sure each vocabulary word stands out in an obvious way.
- Include a definition of each word in your own words.
- Include two or more synonyms of each vocabulary word.
- Illustrate an image that is representative or relative to each vocabulary term somehow.
- You must fill the entire page.
- Your page must be colored.
