

All About Me

One Pager Project

A one pager is a collage of illustrations and texts on one page that make up an aesthetically pleasing and detailed interpretation of a specific topic.

Directions

Introduce yourself to the class by sharing information ALL ABOUT YOU! On one page, imaginatively blend your written ideas with colorful images that correspond. You should spend at least thirty minutes brainstorming ideas before you begin decorating your page. Use a standard size piece of blank paper (8.5 x 11) or you may use a template provided for you.

Below is a list of what should be included on your page:

- Write your first name somewhere on your page.
- Include a sketch that represents a place that is meaningful to you, perhaps where you're from, your favorite place to go, or somewhere you'd like to vacation.
- List one or more of your personal goals or dreams.
- Include two random facts about yourself.
- List one thing that you like to do.
- Include two examples of your favorite things (color, movie, food, book, TV show, subject, music, season, etc).
- Include four or more relevant illustrations/graphic images.
- Include at least one quote, saying, or joke that you like.
- You must fill the entire page.
- Your page must be colored.
