

Christmas Digital Escape Room

Teacher Instructions

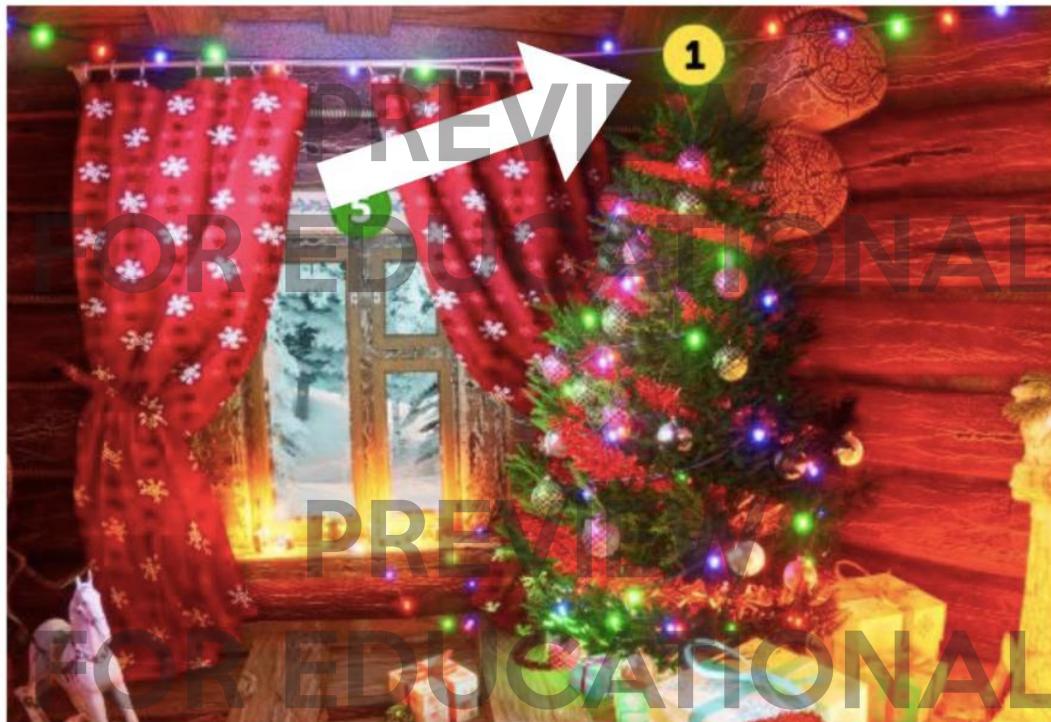

Thank you for your purchase! Your students are going to love deciphering and solving puzzles in this festive, 360° digital escape room. This activity is designed to work for a laptop, tablet, or smart phone. Participants will solve a series of clues based on Christmas facts, songs, and movies in order to crack the master lock and escape the room. Please do not share this link with other educators as it is my copyrighted work and against my terms of licensing. You can purchase additional licenses in my [TpT store](#).

Participants can work independently or in teams, it's up to you! Included in this download are teacher instructions, student instructions, the master lock graphic organizer, answer keys, and a reflection sheet. A printable copy of Clue #3 is also included as some students might find it easier to solve using pencil and paper. While using this resource, you must have a wi-fi connection and the ability to access the following sites: [kuula.co](#), [Youtube.com](#), [Jigsawplanet.com](#) and [Google forms](#).

Christmas Escape Room Link:

1. Share the digital directions with your students (includes the link to the escape room).
2. Verbally review the rules with your students.
3. Set a timer for 45 minutes using a classroom timer or use an online [free countdown timer](#); make sure students are aware that they are being timed.
4. Once students enter the room, they should start with the first clue to discover how they are part of the story! They are being transcended to a cabin in the woods, the night before Christmas. They are snowed in and must escape!
5. The clues are labeled by numbers, but can be solved in any order. For every clue students figure out, they must record their answers on their master lock graphic organizer. The master lock (a google form) requires seven correct answers from all the clues and is mandatory for students to "escape." This is located on the door of the cabin.
6. Once the time is up, you can then have students fill out a reflection sheet (optional).
