

# Growth Mindset One-Pager Project

A one-pager is a collage of illustrations and texts on one page that make up an aesthetically pleasing and detailed interpretation of a specific topic.

## Directions

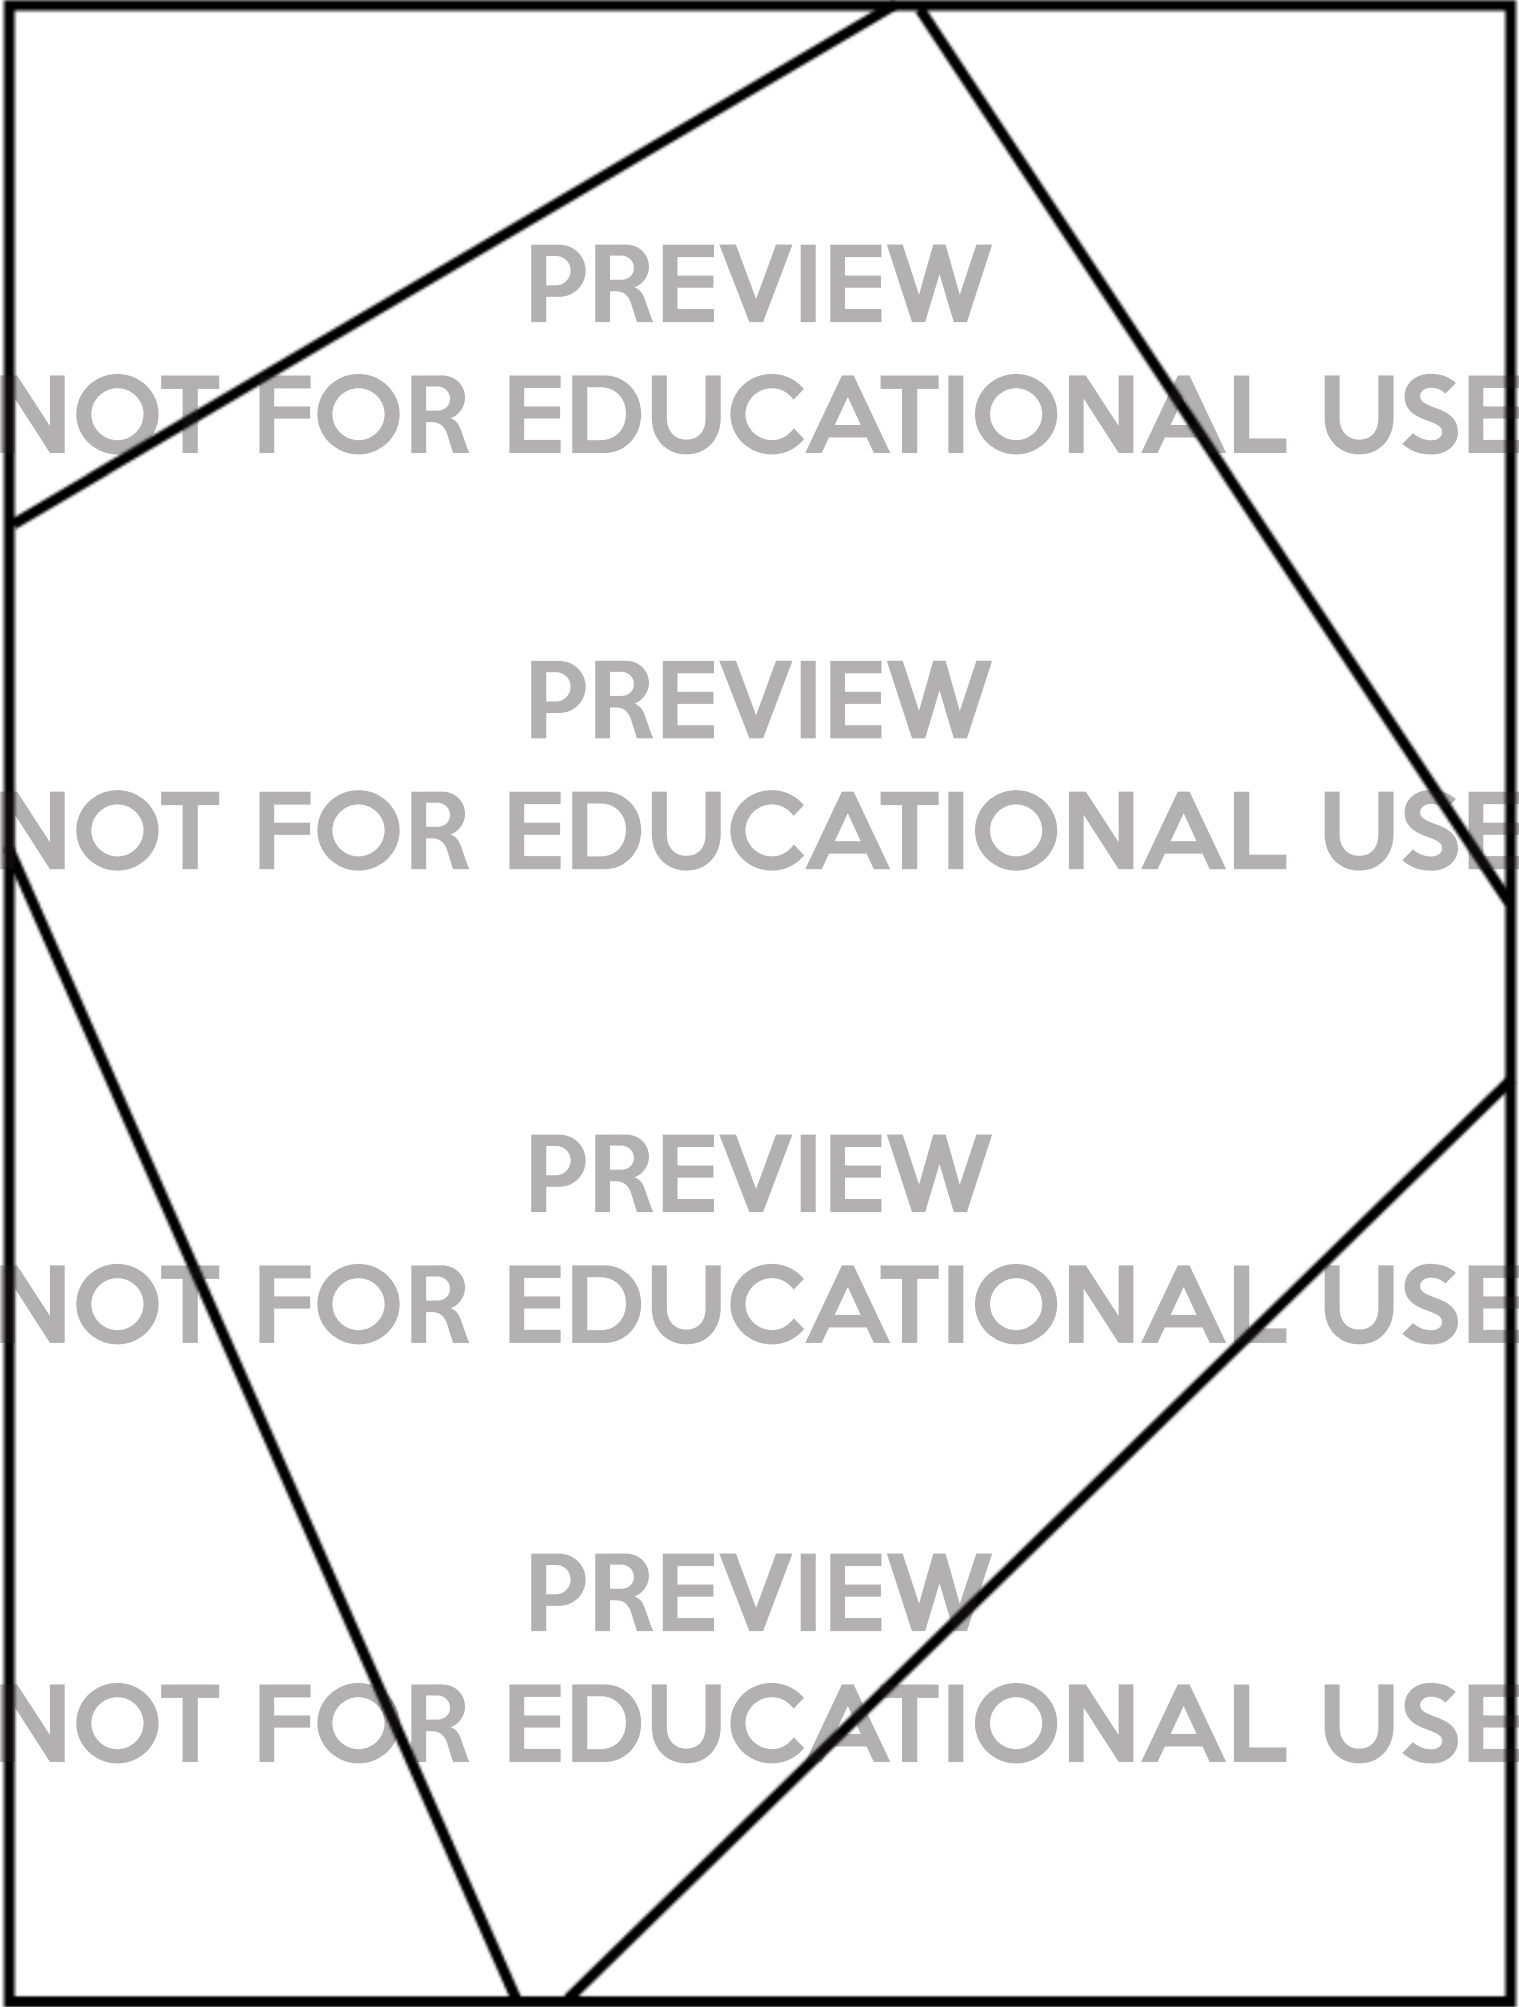

Share your unique understanding of GROWTH MINDSET on one page by imaginatively blending your written ideas with colorful images that correspond. You should spend at least thirty minutes brainstorming ideas before you begin decorating your page. Use a standard size piece of blank paper (8.5 x 11) or you may use a template provided for you.

Below is a list of what should be included on your page:

- Define "growth mindset" in your own words.
- List 3 of your personal goals or dreams.
- Describe one time you struggled and how you worked through it.
- Pick one of the following words to define: grit, tenacity, perseverance, adversity, or resilience.
- Include an example of someone who inspires you.
- Include four or more relevant illustrations/graphic images.
- Include at least one quote that is directly related to growth mindset.
- You must fill the entire page. You don't want a lot of empty space (if any).
- Your page must be colored.
