Directions:

Choose one person from the list above to research. You should spend at least thirty minutes brainstorming ideas before you begin decorating your page. Use a standard size piece of blank paper (8.5 x 11) or you may use a template provided for you.

Below is a list of what should be included on your page:

- Include the full name of the person you research.
- Specify where this person is from and their connection to their Jewish Heritage.
- Include a title of work, group, occupation, or event that this person is most famous for.
- Explain this person's contribution to culture or society.
- Include one or more quotations from the person you are studying.
- Include four or more illustrations/graphic images that symbolize the person's life.
- Include five or more facts about the person that you've learned about.
- You must fill the entire page. You don't want a lot of empty space (if any).
