NOT FOR EDUCATIONAL USE

Thank you for your purchase. Your students are going to love working together to create beautiful posters that showcase their understanding of characters in the play!

Please do not share this resource with other educators as it is my copyrighted work and against my terms of licensing. You can purchase additional licenses in my TpT store.

**This zip folder includes:** Teacher Guide, Student Instructions, Brainstorm Worksheet, Project Rubric, Editable Documents, and a folder for each character.

**The characters included are:** Albany, Cordelia, Cornwall, Edmund, Fool, France, Gloucester, Kent, Lear, Regan, Goneril, and Edgar.

**In each character's folder, you will find:**

- 1) Blank Coloring Pages (6 pieces of paper that come together as 1 poster)
- 2) Digitally Colored Example
- 3) Answer Key

**Suggested Lesson Procedure (~3 days):**

1. Put students into groups. I recommend small groups of 2-4. Personally, I believe 3 students is best because then each group member would be responsible for coloring at least 2 pieces of poster paper.
2. Provide all students with a copy of the Student Directions and Rubric. Review the objectives and grading rubric for this project. Show your students one of the colored example (Lear) to reveal what the final project will look like. Review classroom expectations as needed.
3. Assign each group 1 character. There will be groups who complete the same person. Provide each group with the 6 pieces of Blank Coloring Pages that align with their specific character.
4. Provide each individual student with a Brainstorm Worksheet. Each student should spend a significant amount of time using their notes and the text to find the information needed on the worksheet. You could ask students to break up the work, then come together and share their findings afterward (jigsaw strategy), or ask that students work together to find all of the necessary components as a group effort.
5. Once students have filled in all of the character analysis boxes on the worksheet, they should work within their groups to compare notes and decide on the most essential information that will go on their final posters.
6. Have students evenly distribute the pieces of the poster paper amongst the group. Students should then copy their information onto their Blank Coloring Pages.
7. Students should color their poster pages with colored pencils, crayons, or markers. Group members should communicate with each other about color choices.
8. Students will cut along the dotted lines to retrieve the final 6 pieces of poster paper and tape the 6 pieces of paper in their proper places so that the illustration lines up correctly.
9. Once taped together, students should resolve any issues or fix any imperfections.
10. Hang up the final projects in the hallway or in your classroom!
