Analysis Posters Teacher Guide

Thank you for your purchase. Your students are going to love working together to create beautiful posters that showcase their understanding of the 12 Olympians and Hades. Please do not share this resource with other educators as it is my copyrighted work and against my terms of licensing. You can purchase additional licenses in my TpT store.

This zip folder includes the following: Teacher Guide, Student Instructions, Brainstorm Worksheet, Project Rubric, a folder of Editable Documents, and a folder for each Greek God/character.

The posters included are: Aphrodite, Apollo, Ares, Artemis, Athena, Demeter, Dionysus, Hades, Hephaestus, Hera, Hermes, Poseidon, and Zeus.

In each Greek God/Character's folder, you will find:

- 1) Blank Coloring Pages (6 pieces of paper that come together as 1 poster)
- 2) Answer Key
- 3) Digitally Colored Example

Suggested Lesson Procedure (2-3 days):

1. Put students into groups. I recommend small groups of 2-3. With 3 students in a group, then each member would be responsible for coloring 2 pieces of poster paper. With 2 students in a group, then each member would be responsible for coloring 3 pieces of poster paper.
2. Provide all students with a copy of the Student Directions and Rubric. Review the objectives and grading rubric for this project. Show your students the example of Aphrodite completed to reveal what the final project will look like. Review classroom expectations as needed.
3. Assign each group 1 Greek character. Provide each group with the 6 pieces of Blank Coloring Pages that align with their specific character.
4. Provide each individual student with a Brainstorm Worksheet. Each student should spend a significant amount of time to find the information needed on the worksheet. You could ask students to break up the work, then come together and share their findings afterward, or ask that students work together to find all of the necessary components as a group effort.
5. Once students have filled in all of the Greek God analysis boxes on the worksheet, they should work within their groups to compare notes and decide on the most essential information that will go on their final posters.
6. Have students evenly distribute the pieces of the poster paper amongst the group. Students should then copy their information onto their Blank Coloring Pages.
7. Students should color their poster pages with colored pencils, crayons, or markers. Group members should communicate with each other about color choices.
8. Students will cut along the dotted lines to retrieve the final 6 pieces of poster paper and tape the 6 pieces of paper in their proper places so that the illustration lines up correctly.
9. Once taped together, students should resolve any issues or fix any imperfections.
10. Hang up the final projects in the hallway or in your classroom!

Major Greek Gods

Collaborative Posters

Objective: Analyze a Greek God or Character as a means to deepen your understanding of Greek Mythology. Work as a team to create an attractive poster that includes a colored illustration of the character and presents the most essential information. Practice effective communication, negotiation, and teamwork.

Student Directions:

1. The poster is comprised of 6 separate pieces of paper. Evenly distribute the pieces of the poster amongst the members in your group.
2. Using Greek literature, your notes, and credible resources, complete the brainstorming worksheet. Analyze and describe the Greek God or character you are assigned. Be as specific as possible with your explanations. Use quotations, information, and evidence from Greek Mythology to support your analysis.
3. Examine the information you've gathered. Compare notes with your group members and remove any repeated or redundant information. Choose essential information that you will use to fill in the appropriate boxes on your pieces of poster paper.
4. Proofread, revise, and edit the information you've found. Make sure the information you gathered is written in your own words.
5. Neatly copy your final drafts of information onto your poster. Use dark pen or marker. (You can use pencil to begin with and then trace over the pencil with a darker pen.)
6. Collaborate with your group to choose a color scheme for your poster. Each group member should color an equal number of pages. You can use crayons, colored pencils, markers, glitter, and other crafting materials. The poster must be entirely colored.
7. Complete the project! Carefully cut along the dotted lines to retrieve the final 6 pieces of poster paper. Tape the 6 pieces of paper in their proper places, so that the illustration lines up correctly. Once taped together, fix any imperfections.
