

“Romeo and Juliet” by William Shakespeare

One Pager Project

A one pager is a collage of illustrations and written analyses on one page that make up an aesthetically pleasing and detailed interpretation of a subject or piece of literature.

Directions

Share your unique understanding of the play on one page by imaginatively blending your written ideas with colorful images from the text. You should spend at least thirty minutes reading and/or brainstorming ideas before you begin decorating your page. Use a standard size piece of blank paper (8.5 x 11) or you may use a template provided for you.

Below is a list of what should be included on your page:

- Include the title of the play and the author's name.
- Analyze one theme from the play in 1-2 sentences.
- Choose one character and describe his/her personality. Provide an example or quote from the play that supports your analysis of this character.
- Explain a conflict from the play (internal or external).
- Choose 3 or more of the following literary elements to incorporate into your project, using specific examples from the play: symbolism, motif, setting, juxtaposition, paradox, style, foreshadowing, irony, foil characters, allusions, climax, imagery, or any example of figurative language.
- Choose 3 words that describe the tone of the play (from any Act and/or Scene). Write the words anywhere on your page.
- Include 4 or more illustrations on your page that are directly related to the play.
- You must fill the entire page and your page must be colored.
