

The Notebook

One Pager Project

A one-pager is a collage of illustrations and written analyses on a single page that together create an aesthetically pleasing and detailed interpretation of a subject or piece of literature.

Directions:

Share your unique understanding of the text on one page by imaginatively blending your written ideas with colorful images related to the story. You should spend at least 30 minutes reading and/or brainstorming ideas before you begin decorating your page. It's recommended you begin with pencil first for your design so it's easy to make changes before finalizing your work in ink or color.

Use a standard-size piece of blank paper (8.5 x 11) or a template may be provided for you.

Your page can be horizontal or vertical.

Below is a list of what should be included on your page:

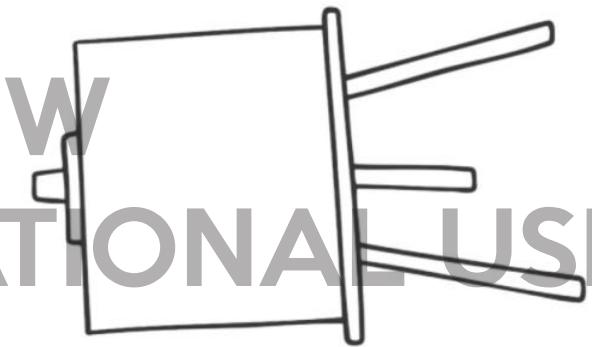

- State the title of the novel and the author's name
- Analyze one theme from the novel
- Describe one protagonist and one antagonist of the story
- Include a personal reflection (at least 2 sentences about your own thoughts, feelings, or reactions to the story)
- Incorporate an important quote from the novel
- Choose **three** or more of the following literary elements to incorporate as they apply to the novel specifically: *conflict, symbol, irony, flashback, juxtaposition, genre, point of view, climax, resolution, setting, foreshadowing, mood, tone, imagery, or any example of figurative language*
- Draw a minimum of **four** illustrations that are directly related to the novel in some way

A central conflict is that although Allie and Noah spend a romantic summer together, their social and economic backgrounds do not align and it keeps them apart.

THEME: Destiny will prevail. The novel shows that fate and free will both play a role in love. Ultimately, true love will come out on top.

Ultimately true, love will come out on top.

I found the story both heartbreaking and beautiful. It reminded me how powerful love can be when it's real. It's inspiring.

to those who want
to choose love.
