The storm SYMBOLIZES emotional turmoil and destruction, specifically due to the older brother's pride and ego. His actions lead to Doodle's death.

The Scarlet Ibis

THEME: The natural world reflects the emotions of the characters.

C. II
SIMILE

This allows readers to easily relate to the narrator and reflect on their own personal journeys.

NAME: The natural world can reflect the fragility of life. Seasons change, as quickly as emotions. It's important to preserve nature just as it is important to show compassion to others.

SETTLING
Early 1900s
in rural North
Carolina

This story was emotional and encouraged introspection. It made me sad, but I appreciated the layers of meaning to the story.

FOREST! APOW! IN GATE OF
the arriet ibi store shadows
the arriet death.
the store's death.

"It was in the clove of seasons, summer was dead but autumn had not yet been born that the ibis lit in the bleeding tree. The flower garden was strained with rotting brown magnolia petals and iron-weeds grew rank amid the purple phlox."
