

We Ate The Children Last One Pager Project

A one pager is a collage of illustrations and written analyses on one page that make up an aesthetically pleasing and detailed interpretation of a subject or piece of literature.

Directions

Share your unique understanding of the story on one page by imaginatively blending your written ideas with colorful images from the text. You should spend at least thirty minutes reading and/or brainstorming ideas before you begin decorating your page. Use a standard size piece of blank paper (8.5 x 11) or you may use a template provided for you.

Below is a list of what should be included on your page:

- Include the title of the story and the author's name.
- Analyze one theme from the story and provide textual evidence that supports this theme.
- Summarize the story in 1-2 sentences.
- Choose 4 of the following literary elements to incorporate into your project, using specific examples from the text: symbolism, foreshadowing, irony, allusions, genre, setting, tone, mood, point of view, imagery, or any example of figurative language.
- In 1-2 sentences, describe your personal opinion/reaction to the story.
- Include 3 or more illustrations on your page that are directly related to the story.
- You must fill the entire page and your page must be colored.
