One Pager Project

A one pager is a collage of illustrations and written analyses on one page that make up an aesthetically pleasing and detailed interpretation of a subject or piece of literature.

Directions:

Share your unique understanding of the text on one page by imaginatively blending your written ideas with colorful images from the story. You should spend at least 30 minutes reading and or brainstorming ideas before you begin decorating your page. It's recommended you begin with pencil first for your design so it's easy to make changes before finalizing your work in ink or color. Use a standard size piece of blank paper (8.5 x 11) or a template may be provided for you. Your page can be horizontal or vertical.

Below is a list of what should be included on your page:

- Include the title of the novel and the author's name
- Analyze one theme from the novel
- Explain and illustrate one symbol from the novel
- Provide a brief personal reflection of the novel in 2-3 sentences (Did you like it?)
- Include one important quote from the novel
- Describe one example of conflict from the story
- Choose **three** or more of the following literary elements to incorporate as it applies to the novel specifically: *characterization, genre, setting, point of view, climax, resolution, foreshadowing, mood, tone, imagery, motif, allusion or any example of figurative language*
- Draw a minimum of **three** illustrations that are directly related to the novel in some way
- You must fill your entire page
- Your page must be colored
